Problem

- Exam dates
- Work shifts
- Homework deadlines
- Career fairs
- Club meetings
- Social obligations
- Password expiration
- Not getting to class on time

Solutions

- Users may want a calendar to mark important dates
- Reminders to leave x minutes before an event
- Pop-up notifications
- Alarms
- Class schedules
- Digital notepad
- Dashboard with what needs to be done that day
- Location specific help

Details

- College Oriented
- 2-Factor Authentication
- Compact interface
- Password protected
- Personal reminders
- Voice recordable lines to play when a certain type of notification pops up
- Separate sections to divide personal information and quick access information you need on the spot
- Modifiable user interface

Other ideas

- Password Manager?
- Google Calendar integration
- Partner with Colleges
- Run ads to have it be free or have a monthly fee to use ad free
- Import syllabus
- Personal incentives?
- Pop up of events user may be interested in
- Link Handshake account?
